

ENGINEERS
AUSTRALIA

Graduate Membership.

Fuel for your future.

Find your real potential as an engineer with Engineers Australia.

Graduate membership unlocks tools, resources and a 120,000 strong engineering network to support the journey you've already begun.

Graduate benefits:

Develop skills that make you sought-after

We'll help you navigate the workplace, feed your technical curiosity, and develop the rounded skill set employers are looking for. To keep you front of mind.

Land your ideal role

More than 80% of roles never get advertised. As a member, you'll have access to an exclusive Jobs Board that offers early career opportunities you won't find at a careers fair.

Surround yourself with high-achievers

With over 120,000 engineers in every discipline, you'll have a wealth of support, expertise and networking potential at your fingertips. Making who you know as powerful as what you know.

Set your course for a Chartered career

Your membership is the only way to attain the globally recognised Chartered credential — and the elevated prospects that come with it. We're there to support you throughout your journey.

**Fuel for your future is just \$16 a month
with Direct Debit.**

Your membership may be tax deductible or your could ask your employer to fund your ongoing professional development.
